Jr City Junior College, Dhule - <i>HSC (12th), Science Stream - (GPA: 82%)</i>	Jun 2020 — Feb 2021
Shree Agrasenji High School, Dhule - <i>SSC (10th) - (GPA: 73.60)</i>	Jun 2018 — Jun 2019

SKILLS

C | C++ | Java | JavaScript | HTML | CSS | SQL | XML | MySQL | Git | GitHub

WORK EXPERIENCE

Web Development Intern, Trifrnd PVT. LTD, Pune	Jan 2025
As a Web & Android Developer Intern at Trifrnd Pvt. Ltd., I contribute to building and maintaining responsive web applications using HTML, CSS, JavaScript, and SQL, ensuring cross-browser performance and interactivity. I also work on Android application development in Java, focusing on UI/UX design, API integration, and performance optimization. Collaborating with the development team, I actively participate in real-time projects, delivering innovative and scalable solutions across both web and mobile platforms.	
<ul style="list-style-type: none">Designed, developed, and maintained responsive web applications with HTML, CSS, and JavaScript, ensuring cross-browser compatibility and smooth user experiences.Built interactive front-end features and assisted in back-end development using SQL for database-driven functionalities.Contributed to Android application development using Java, focusing on UI design, API integration, and performance optimization.Collaborated with the development team to deliver real-time projects and implement innovative solutions.	

PROJECTS

Student Diary Cloud, Link	Aug 2025 — Present
<ul style="list-style-type: none">User Authentication Secure login and signup using email/phone number. Cloud-based authentication for data security.Class & Schedule Management Students can add, view, and update their class timetables. Notifications and reminders for upcoming lectures, assignments, and exams.Technology Stack: Frontend (App Development): Android (Java/XML or Compose) Backend: Firebase with REST API Database: MySQL Authentication & Security: Firebase Authentication / JWT Cloud Storage: Google Drive API	
Bai Kabibai & Hansraj Morarji Charity Trust, Link	
May 2025 — Jul 2025	
<ul style="list-style-type: none">Recreated the official BKHM Trust (bkhm.edu.in) website with a modern, responsive design using HTML5, CSS3, and vanilla JavaScript.Implemented interactive UI components such as dropdown menus, image sliders, and animated sections for an engaging user experience.Focused on pixel-perfect replication of the original layout, typography, and branding while ensuring cross-browser compatibility.Enhanced performance with optimized assets and clean, modular code structure for maintainability.Strengthened skills in frontend development, responsive design, and web accessibility best practices.
